NOTES: Wow! What a way to start the competition season! Congratulations!

Please look at the "Results" tab on the website to listen to judges' comments. They will be available until Wednesday. We will discuss the comments in class on Tuesday. Take notes and ask yourself the following questions:

1) What comments do I not understand?
2) What comments have I already heard from the staff?

We have the competition week off, but Saturday will still be a busy day. Have a good breakfast before you arrive.

ADDITIONAL NOTE – We are ending Friday's rehearsal at 8:00. Band members have been given special permission to arrive at the dance late.
